S i r,

I have the honor to state that an appointment of a Parupathegar on Rs 20/- to look after the revenue collection work of the villages endowed to the Shravanabelugula Mutt which were under the management of the Swamigalu, was sanctioned in the Chief Commissioner's Proceedings No. 9710 dated 3rd June 1879, copy of which is enclosed in the records (Prerist No. 8), The Inam villages were taken under Government management owing to mismanagement. The revision of the scale of expenditure of the Jain Matt was sanctioned in Government Order No. 3190-92/Muz. 505-18-2 dated 12th April 1911 and provision is also made in the revised scale for the post of a Parupathegar on 12/- according to the practice that existed at the time. When the pay of 20/- of the Parupathegar was reduced to Rs 12/- and under what circumstances it was reduced ascertained as the records relating to the coming.

2. As the Inam villages are under Govern predecessor Mr.B.Venkata Rao the

Soliciting ordres of Government in the matter of entrusting the collection work of Inam Villages belonging to Shravanabelugula Matt to Sheikadar.

Parupathegar was unnecessary since the collection [illegible] to the villages may be conveniently attended to by the sheikadar of the Hobly, as is done in the case of other villages under Government management. The opinion of the swamigalu about the ~~obtaining~~ abolition of the Parupathegar's post was called for. The swami is also agreeable to this arrangement (Vide his yadi No. 62 dated 6th May 1920)

3. Both the Amildar and the Sub Division Officer are of opinion that the sheikadar may be entrusted with the management of Inam villages, and he may be given an allowance as the work connected with the Inam villages entrusted to him entails additional work. I am of opinion that the present Parupathegar may be made a clerical assistant to the sheikadar ~~who, it appears that~~ which appointment is recommended in several quarters even in the case of ordinary Hobblies without Inam villages. By this arrangement the work connected with the Inam villages can be carried out efficiently by a responsible official like a sheikadar while the sheikadar will have a clerical attender to relieve him of his extra work.

4. Under the above circumstances, I request that you will be so good as to obtain the sanction of Government for entrusting the collection work to the sheikadar of the hobly and to make the present Parupathegar an assistant to the sheikadar.

I have the honor to be,

Sir,

In reply to your letter No. 335/Huz. 133-31-1 dated 6th January 1933 enquiring what allowance is proposed to be given to the Sheikdar and what pay should be given to the Assistant to be appointed for the collection work of the Inam villages endowed to the Shravana-belgola Math, I have the honor to state that a sum of Rs. 15/- (Rs 12 payable 3/- commutation to a lower caste) is proposed per month out of Inam funds to the Sheikdar for collecting after the collection work. I have already proposed in my previous letter dated 9th December 1932 that the Sheikdar to be entrusted with the collection work should be given an assistant to the Sheikdar as the work is heavy and an attender to relieve the Sheikdar of the work of [illegible] assistant may be fixed at his present salary viz., Rs 10/-. The attender need not be given any allowance in addition.

Allowed extra assistant.
